## MULTIPLE LAYERS OF PROTECTION

### MARKET LEADING SENSING TECHNOLOGY

Your motor is designed to resist forced entry, plus you will get real time alerts through your B&D App if a break-in attempt is detected.

### SAFETY BEAM COMPATIBLE

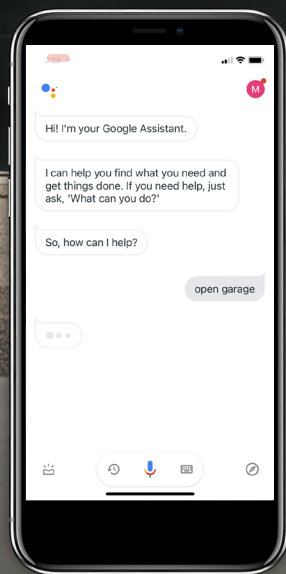

B&D wireless Safety Beams automatically reverse the garage door when obstruction is detected.

### AUTO-LOCK COMPATIBLE

B&D smart keyless technology automatically locks your garage door with a heavy duty bolt every time you close it. ^

### SECURITY tip

Controll-A-Door® Smart is compatible with Auto-lock and Safety Beams for added security.

### SIRI OR GOOGLE HOME VOICE CONTROL

Access your garage with the sound of your voice.

### TOTAL CONTROL

Open or close your garage door, anytime, anywhere.

### CUSTOMISATION

Schedule recurring access, restrict door access time and add multiple users.

### YOUR SILENT ALARM

Get real time alerts, know who has operated your door and when.

## A smart home starts in the garage.

As the largest access point in the home, many families today, enter and exit their home through the garage door, relying on it as the new front door. This is why B&D Controll-A-Door® Smart delivers unrivalled levels of protection for your garage.
