Bridge WiFi Adaptor

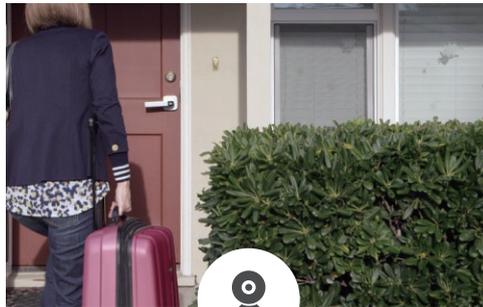

Ultraloq Bridge allows you to unlock, share eKeys to your guests for scheduled access, and view access logs from anywhere.

www.u-tec.com

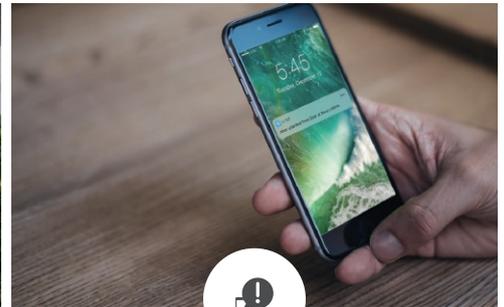

Unlock your Ultraloq anytime, from anywhere

Let friends, guests and service people into your home remotely

Share Ekey Remotely

Grant access to guests and visitors via an eKey for specific dates or periods of time with no monthly fees!

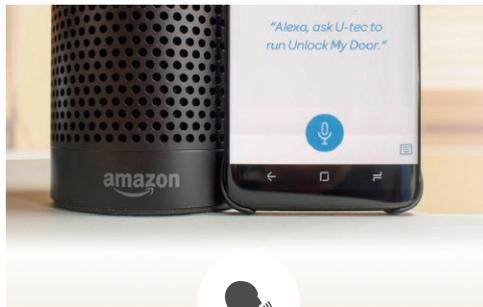

Smart Alerts and Notifications

Get instant alerts every time someone unlocks your door.
• Smart notification feature is not available on Ultraloq UL3 BT.

View logs on the Go

Always know who's entered and exactly when and how they did.

Work with Alexa

Ask Alexa to lock, unlock your door and check door status.

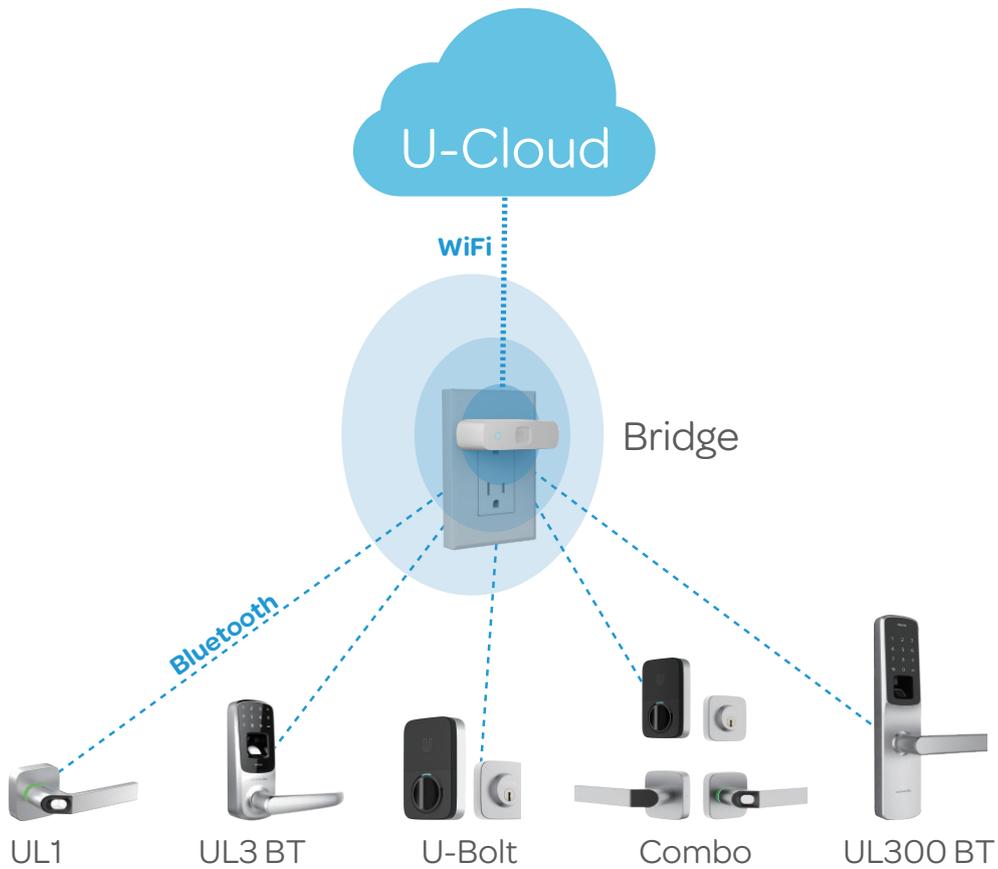

Plug and Go

Just plug into power and connect to your home Wi-Fi network.

The Revolution On Your Front Door

Work Seamlessly With Your Ultraloq
