

Programme your new APC remote to your swing or sliding gate motor

Swing Gate

Sliding Gate

1. Open the cover of your motor to reveal the circuit board.
2. Press and release the learn button (see the appropriate red box in the images above).
3. Press any button you wish to operate your motor on your new remote for 2 seconds.
4. Wait 2 seconds.
5. Press the same button on your new remote again for 2 seconds.
6. Test your remote.

WARNING

This product may contain a coin/button cell battery. Keep product and batteries away from children. A battery can cause severe or fatal injuries in 2 hours or less if swallowed or placed inside any part of the body. Seek immediate medical attention if it is suspected that a coin/button cell battery has been swallowed or placed inside of any part of the body.
