

Programming your remote to your ATA/B&D receiver

1. Press and hold the SW1 button on the receiver.
2. While holding the SW1 button, press and hold button number 1 on your new remote for 2 seconds.
3. Press and hold button number 1 again for 2 seconds.
4. Release the SW1 button and test your remote

WARNING

This product may contain a coin/button cell battery. Keep product and batteries away from children. A battery can cause severe or fatal injuries in 2 hours or less if swallowed or placed inside any part of the body. Seek immediate medical attention if it is suspected that a coin/button cell battery has been swallowed or placed inside of any part of the body.
