Programming a new remote

- 1. Press and immediately release the red learn button. The screen will now display 'bu'.
- 2. Press and immediately release the blue minus button. The screen will now display 'ru'.
- 3. Press and hold any button on your new remote until the light on the motor strobes.
- 4. Wait 5 seconds and test your remote.

WARNING

This product may contain a coin/button cell battery. Keep product and batteries away from children. A battery can cause severe or fatal injuries in 2 hours or less if swallowed or placed inside any part of the body. Seek immediate medical attention if it is suspected that a coin/button cell battery has been swallowed or placed inside of any part of the body.
