FAAC SLH Remote

PROGRAMMING SLH REMOTE FROM ORIGINAL MASTER REMOTE

Please note that you must be within 1-2 metres from the motor to program your new remotes

1. Position working original and new remotes head-to-head
2. At the same time, press and hold buttons P1 and P2 on the original remote until the light flashes
3. Press and hold a button on the original remote that operates the door and do not let go
4. Press and hold the same button on the new remote until the light flashes and goes out
5. Wait 10 seconds for the motor to exit programming mode
6. Test your new remote

WARNING

This product may contain a coin/button cell battery. Keep product and batteries away from children. A battery can cause severe or fatal injuries in 2 hours or less if swallowed or placed inside any part of the body. Seek immediate medical attention if it is suspected that a coin/button cell battery has been swallowed or placed inside of any part of the body.
