

Programming your remote to a garage motor

1. Press and release the “S” button until the “0” appears on the screen.
2. Press any button on your new remote for 2 second.
3. The “0” on the screen will disappear.
4. Test your remote.

Programming your remote to a gate motor

1. Press and release the “LEARN” button.
2. Press and hold the button on the remote for 2 seconds.
3. Press and hold the same button again for 2 seconds.
4. Wait 5 seconds and test your remote.

WARNING

This product may contain a coin/button cell battery. Keep product and batteries away from children. A battery can cause severe or fatal injuries in 2 hours or less if swallowed or placed inside any part of the body. Seek immediate medical attention if it is suspected that a coin/button cell battery has been swallowed or placed inside of any part of the body.
